

PREPARING FOR
VICTORY

THE
CALL TO VICTORY
SERIES

Introduction

If Jesus paid the ultimate price on the cross to purchase our victory over sin, Satan, and sickness, why do Christians seem to live in defeat? Maybe it's because we don't know that it is possible to live in victory, or we don't believe that Jesus can help us walk in victory or maybe there are things that are holding us back from experiencing victory.

That's why we have designed this Victory Sunday experience for you. To prepare for it there are four things you must do this week: get desperate for God, get closer to God, get clean before God and get power from God. You must set aside some time each day this week to work through this book – from Monday to Thursday.

But before you start you need to know that the devil is not happy! He does not want you to walk in victory, so he does not want you to attend Victory Sunday so he is going to do everything in his power to mess with your life this week. Just knowing that he is going to attack will help you deal with whatever he will try and throw at you. God is with you and will get you through it!

What happened when Ananias laid hands on Saul? Acts 9:17

What happened when Peter preached to Cornelius and his family? Acts 10:44-47

What happened when Paul laid hands on the disciples in Ephesus? Acts 19:1-2, 6-7

What did Jesus say about the Holy Spirit? Luke 11:13

Take Action

If you have never experienced the baptism of the Holy Spirit, through the laying on of hands, then spend some time praying that it will happen on the weekend. If you have been walking in God's power already, then pray that God will increase the measure of His power in your life during the coming weekend.

Wrap Up

Well done on completing all four sections. Now you can spend some time praying about the future. Ask God to meet you and to lead you deeper into living a victorious life. Remember that the devil is unhappy with you – don't let your guard down – no matter what happens, get to each of the sessions!

Thursday: Get Power From God

In the Old Testament, God's Spirit empowered certain people to do special miracles. Here are some examples of people who were empowered by God in the Old Testament: Moses' miracles before Pharaoh, Samson's super human strength and Daniel's prophetic dream interpretation. In the New Testament, Jesus promised not only occasional spiritual power, but a constant indwelling of the Holy Spirit in each believer.

Monday: Get Desperate For God

If we really want God's best, we can't just dabble in spiritual things. We have to seek God with ALL our heart, soul, mind and strength. Many times in Scripture, when God's people became desperate for a deep spiritual encounter, they had a time of consecration and devotion – seeking God with all

their heart! This was called consecration – which is the act of setting something apart for God's use.

Tuesday: Get Closer To God

Fasting is one thing that we can do to consecrate ourselves to God. It is different from dieting because its purpose is to get closer to God and not to lose weight. It is not a hunger strike because we are not forcing God to do anything! True fasting releases spiritual power in our lives as we spend time in God's presence.

Wednesday: Get Clean Before God

Some people keep and store all kinds of useless junk. Others follow the “when it doubt, throw it out” policy. When it comes to our spiritual lives, especially past sins and bad habits, we must follow the “throw it out” rule, constantly getting rid of everything that hinders our spiritual progress.
